

PARENTS AS PARTNERS

In Children's School Bus Journey

This introductory newsletter has been produced to enable the parent community to be partners in their children's school bus journey, every day. This is the first of a series of newsletters for parents issued by School Transport Services LLC (STS).

YOUR STS

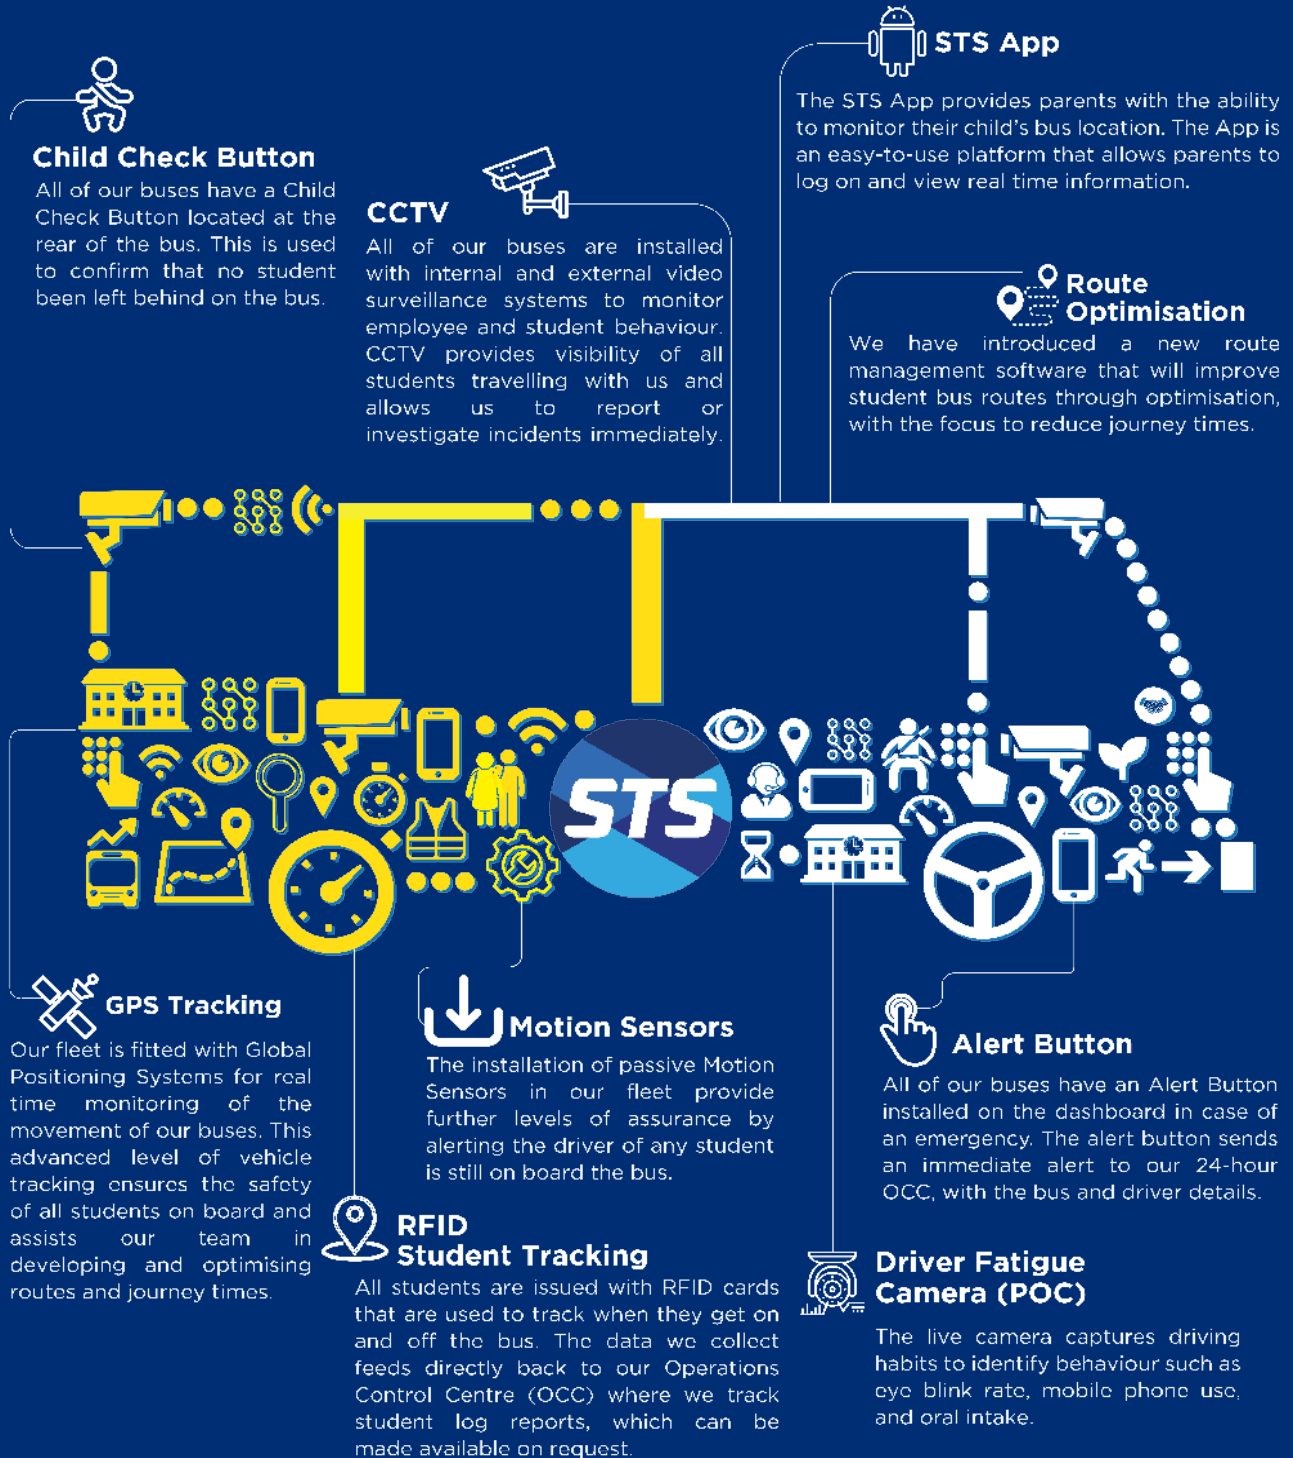

STS is a leading private operator and preferred partner of choice for school transport solutions across the GCC.

OUR FOCUS IN EVERYTHING WE DO IS TO BE **SAFE, TIMELY, SMART.**

WE ARE SAFE

As the leading private operator for school transport in the GCC, STS understands your concerns for child safety and would like to assure you that it is our priority to ensure that your children get to and from school, safely and comfortably.

The Smart Bus embodies STS's commitment towards Safe, Timely, Smart transportation and cultivates a safety-driven mindset within the community.

WE ARE TIMELY

Our fleet of Smart Buses are monitored and managed remotely by STS's Operations Control Centre (OCC). This full-fledged, state-of-the-art control room is uniquely equipped to supervise the functions of the entire fleet of 3,100 buses. A dedicated and trained team monitors the exact location of each bus, the entry and exit of all students throughout the journey.

STATE-OF-THE-ART OCC

Our OCC team monitors the movement of our buses in real time throughout the day ensuring the safety of all those on board.

REAL TIME DATA

All buses are installed with internationally acclaimed safety features such as CCTV security systems, GPS, RFID scanners, motion sensors, child check button and many other features. Data from these devices can be seen live on the OCC screens, enabling the team to take immediate action where necessary.

EFFICIENT ROUTE MANAGEMENT

We have a trained and experienced route management team that evaluates and optimises bus routes on a regular basis to provide our customers with timely transport.

WE ARE SMART

The STS mobile application is available to all parents and provides information on your child's journey to and from school. It is loaded with all these great features. Get on board and travel with us today!
